Brethren;

We have a good month ahead. Already we have begun preparations for the annual Fish Fry & Car Show, which will be held on May 8. We have visits from our district officers & the Grand Master in the near future, & a school of instruction. I look forward to seeing you at a communication soon.

ON-GOING ISSUES

- 1) We approved the budget for this year. I will be assembling a committee to look into ways to cut costs in the next few days.
- 2) We are in the process of setting up an evening to help Steele Creek Outreach assemble some the bags they give out. The date will be posted on our website & Facebook page.
- 3) We have a new website. Thanks go to Br Preston Teal for his efforts on our behalf.
